Follow 零压力 身轻扬
ZERO PRESSURE , LIKE FLYING

follow

仿佛身体，没有了重量
翩然入座，Follow 总能给您完美的承托
即使久坐，也感觉不到丝毫压力

As if your body feels no weight.
The Follow chair automatically conforms to your every
movement and distributes your weight evenly.
It is designed to support your body perfectly while you are sitting on it.
Pressure never catches up when you sit in Follow,
no matter how long you spend.

“零压力”大S型椅背设计

/// 思尚独立开发的专利技术，可使椅背给使用者带来强烈的包覆感，令背部压力分布更加均匀，接触面受到的压强更小，压力差接近于“零”。

“Zero Pressure” S-curved Backrest

/// ASIS's patented backrest design gives you a strong sense of being cradled. You will feel "zero pressure" as it equally distributes the pressure around your back and reduces the intensity of surface contact.

防曲张仿生座垫

/// 久坐易引起腿部静脉曲张，Follow 创新的防曲张仿生座垫，独有弹力边缘，更贴合腿部曲线，可使腿部血液循环更加流畅，同时清爽透气，即便久坐亦能保持健康舒爽。

Anti-varicosity Cushion

/// Sitting for a long time often causes discomfort and possibly varicose veins. Follow's innovative anti-varicosity cushion has a unique elastic edge, which perfectly accommodates leg curves, allowing smooth blood flow while maintaining freshness and coolness. Even if you sit down for a long time, Follow can always keep you healthy and comfortable.

“舒仰”双调节智能同步倾仰机构

/// 思尚专利技术，为 Follow 所独有，坐垫和靠背配合人体同步运动，达到最舒适的倾仰状态，同时保持您的坐姿正确、舒展。

“Comfortable Tilting” Double-adjustment Design

/// ASIS's patented technology, unique in Follow. The backrest and cushion automatically and simultaneously adjust to your body's movements, attaining utmost reclining comfort and ensuring an accurate sitting posture.

零按键提拉扶手

/// 零按键设计，升降随心，可停留于任意高度，扶手面采用仿生材料，模拟人体肌肤，柔软而富有弹性。

No-button Lifting Armrest

/// ASIS's no-button, lift-and-lock design allows users to effortlessly lift the armrest and stop it at any height. The surface of the armrest is made of soft and elastic materials with the texture of human skin.

“灵触”智能线控机构

/// 新一代高灵敏度智能制动线控系统，升降、倾仰灵敏锁定，一触倾心。

“Smart Touch” Tilt-by-wire Mechanism

/// A new generation of high sensitivity intelligent wire system allows you to go up and down, lean back and forth, lock and unlock with just one control.
